

Grand Finale (Live Canada Edit)

Arty & Fiora

All that we kept between us
Whisper in the dark
Wrap around to the other
I'll keep you close at heart
As the pages turn
If I fail, stumble and fall
Down to the ground
Will you turn this world around
Take me away
Sweep me away
Take me away
Sweep me away
Take me away
Take me away
Sweep me away
Take me away
Sweep me away
