Not Enough

UnSun

Advisory - the following lyrics contain explicit language:

Empty and strange
Bad omens catch the rain
Outside
The wind howlsAll the years lost
Like fools we spent most
Of our lives
You and meNot enough warmth
Hell was too cold
Shivering hands
And darkLove's gone away
Ultimately slain
By our final
Night...I thought you said
It's for the best
If nothing lasts
ForeverThis night will grow old
And the sun so coldI thought you said
It's for the best
If nothing lasts
ForeverThis night will grow old
And the sun so coldNot enough to say
On forest ways
And whispers as quiet
As nightIn order to live
We need to believe
As long as we
Still canNot enough dreams
To go down the stream
To places where light
FlickersWhen in dark mirrors
Emptiness whirls
And heart wander

In fogI thought you said
It's for the best
If nothing lasts
ForeverThis night will grow old
And the sun so coldI thought you said
It's for the best
If nothing lasts
ForeverThis night will grow old
And the sun so cold
Not enough warmth
Hell was too cold
Shivering hands
And darkLove's gone away
Ultimately slain
By our final
Night...I thought you said
It's for the best
If nothing lasts
ForeverThis night will grow old
And the sun so coldI thought you said
It's for the best
If nothing lasts
ForeverThis night will grow old
And the sun so cold
