

# Not Enough

UnSun

Advisory - the following lyrics contain explicit language:

Empty and strange  
Bad omens catch the rain  
Outside  
The wind howls All the years lost  
Like fools we spent most  
Of our lives  
You and me Not enough warmth  
Hell was too cold  
Shivering hands  
And dark Love's gone away  
Ultimately slain  
By our final  
Night... I thought you said  
It's for the best  
If nothing lasts  
Forever This night will grow old  
And the sun so cold I thought you said  
It's for the best  
If nothing lasts  
Forever This night will grow old  
And the sun so cold Not enough to say  
On forest ways  
And whispers as quiet  
As night In order to live  
We need to believe  
As long as we  
Still can Not enough dreams  
To go down the stream  
To places where light  
Flickers When in dark mirrors  
Emptiness whirls  
And heart wander

In fog I thought you said  
It's for the best  
If nothing lasts  
Forever This night will grow old  
And the sun so cold I thought you said  
It's for the best  
If nothing lasts  
Forever This night will grow old  
And the sun so cold  
Not enough warmth  
Hell was too cold  
Shivering hands  
And dark Love's gone away  
Ultimately slain  
By our final  
Night... I thought you said  
It's for the best  
If nothing lasts  
Forever This night will grow old  
And the sun so cold I thought you said  
It's for the best  
If nothing lasts  
Forever This night will grow old  
And the sun so cold
