

This Song Never Ruined My Day, You Did.

[Percy Shaw](#)

I moved the stars for you,
but I never told you about that.
I just held you in silence
for a thousand nights,
holding our breath in an ocean
of mistakes and kisses,
sweeter than, any that
these lying lips have ever known. Don't say you love me.
Don't say you believe me.
Say you'll never leave me.
I will never leave you. Don't cry. You're not mine.
You never were.
