Always Getting Over You

Angela Ammons

Was it not enough stimulation?
Hit by a brick the other day
Just when I thought I'm okayDidn't like my conversation?
I can't come up with something new
It doesn't really matter what I doSo here's my observation
You could never see it through my eyes
And I'm too tired to trySo don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over youWas it too much aggravation?
You're telling me the way but I won't see
Then I change my mind, you disagreeI used to be your inspiration
You chase, I run, you disappear
I know it's never overSo don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over youWas it not enough stimulation
Hit by a brick the other day
Just when I thought that I'm okayDidn't like my conversation?
I can't come up with something new
It doesn't really matter what I doSo don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over youDon't lie and say you're over me
