

Always Getting Over You

[Angela Ammons](#)

Was it not enough stimulation?
Hit by a brick the other day
Just when I thought I'm okay Didn't like my conversation?
I can't come up with something new
It doesn't really matter what I do So here's my observation
You could never see it through my eyes
And I'm too tired to try So don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over you Was it too much aggravation?
You're telling me the way but I won't see
Then I change my mind, you disagree I used to be your inspiration
You chase, I run, you disappear
I know it's never over So don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over you Was it not enough stimulation?
Hit by a brick the other day
Just when I thought that I'm okay Didn't like my conversation?
I can't come up with something new
It doesn't really matter what I do So don't call and say you're coming back for me
It don't mean nothing, I'm always getting over you
And don't lie and say that you're over me
It don't mean nothing, I'm always getting over you Don't lie and say you're over me
