

Everybody Needs Love

Findlay Brown

Everybody needs love from someone
Everybody needs love
Everybody needs love
Needs love

So you say that love is dead
Did the devil paint a picture in her head
This time

You're an answer, so it seems
Everything she ever wanted
You believe
This time

Everybody needs love from someone
Everybody needs love
Everybody needs love
Needs love

So you silver for a ride
Will the people with a paper steal her mind
This time

Though you say she takes the blame
Will the reason that she comes here ??
This time

Everybody needs love from someone
Everybody needs love
Everybody needs love
Needs love

You never believed it then
If you'd seen it there
She's walking inside you streets away

Don't you cry, she needs to go.
You sold her dreams, she sold her soul.

Everybody needs love from someone

Everybody needs love
Everybody needs love
Needs Love

Needs Love (x5)
