Let's Get Serious

Jermaine Jackson

Close my eyes
And I see your face at night
Toss and turn
Fall to sleep holdin' my pillow tight
All the time I think of you
You're with me no matter what I do

Walk around
With a smile upon my face
In my mind
You have taken a permanent space
I am feeling what I can't explain
And if what you're feeling is the same

Let's get serious
Let's get serious
Let's get serious and fall in love
Let's get serious
Let's get serious
Let's get serious and fall in love

S.E.R.I.O.U.S.
Baby, let's get serious
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, ow

In your arms
Is the place I wanna be
With my love in you
And your love inside of me
Longin' for each other just ain't fair
When we've got so much we want to share

Let's get serious
Let's get serious
Let's get serious and fall in love
Let's get serious
Let's get serious
Let's get serious and fall in love

Let's get serious

Let's get serious
Let's get serious and fall in love
Let's get serious
Let's get serious
Let's get serious and fall in love

Both of us feel like exploding â€˜cause this stuffâ€™s too hot for holding
Let's get serious and fall in love
Girl, you've got my body moanin'
Just believe â€˜cause when I start callin'
Let's get serious and fall in love
Serious
Serious
Let's get serious and fall in love
