

# Blaaam!!!

## Icp (insane Clown Posse)

Story time, bitch  
All across the East Side  
"What?"  
"I represent Delray"  
"Delray?"  
"So?"  
"South West Side" This Gypsy aunt of mine  
(You're the lucky one)  
She died and left behind  
An ancient piece of time  
I didn't know what it was  
(You're the lucky one) Knuckle deep in dust  
Edges played with rust  
I started to get pissed  
(You're the lucky one) This lamp is all I get  
A worthless piece of shit  
But once I rubbed it clean  
(You're the lucky one) A genie popped on the scene  
Brought true my every dream I was like  
Blaam! Free hoes  
Blaam! Nyquil  
Blaam! Faygo  
(Anything I want) I was like  
Blaam! Sharp axe  
Blaam! Good weed  
Blaam! Hot tracks  
(Everything I need) Now I'm in a fizzler  
(You're the lucky wizzle)  
Hotties on thy wizzle  
Still a juggalizzle  
I drive a platinum car  
(You're the lucky one) It has a tennis court and a bar  
You know who I are  
Money out the ass  
(You're the lucky one) I'm wishin' while it last  
Genie's movin' fast I want my  
Blaam! Free bank  
Blaam! Necks cut  
Blaam! My shank

(Anything I want)I want my  
Blaam! Hot wings  
Blaam! Good weed  
Blaam! Big thangs  
(Everything I need)Now I am a king  
(You're the lucky one)  
I have everything  
Nothing's challenging  
Nothing makes me proud  
(You're the lucky one)I stand out in the crowd  
While others beg out loud  
I remember when  
(You're the lucky one)Money was so thin  
But dreams were all up in  
Looking at the lamp  
(You're the lucky one)Would I give it all back?  
Shit, fool, give me thatI'll be like  
Blaam! Bitch slaps  
Blaam! Cheap wine  
Blaam! Dub H  
(Anything I want)I'll be like  
Blaam! Half pipe  
Blaam! Good weed  
Blaam! Moonlight  
(Everything I need)I'll be like  
Blaam! Free hoes  
Blaam! Nyquil  
Blaam! Faygo  
(Anything I want)I'll be like  
Blaam! Sharp axe  
Blaam! Good weed  
Blaam! Hot tracks  
(Everything I need)Blaam!  
The moral of the story is  
Blaam!  
Those who never had shit  
Blaam!  
And then get shit  
What?  
(Anything I want)  
Need to get shitBlaam!  
So if you got shit  
Blaam!  
Or you need shit  
Blaam!

Get some shit  
Go, get your shit  
Fuck this shit  
(Everything I need)  
Where JD at?
