End of Conversation

Fielfraz

Babyâ€™s closed her eyes
seen through all the lies
end of conversation
for me

Baby combs her hair
shambles up the stairs
all the time youâ€™ve wasted
on me on me

Where have we gone?
Where?

Babyâ€™s got her grace
printed on her face
mayonnaise and toothpaste
for me for me

Where have we gone?
Where have we gone?
Close your eyes and see
Close your eyes and see

Babyâ€™s closed her eyes
seen through all the lies
end of conversation
for me for me
