

Any Day Now

Luther Vandross

Any day, you'll be gone, oh yeah
Any day, you'll be goneAny day now
I will hear you say, "Goodbye my love"
Then you'll be on your way
Then my wild beautiful bird, you will have flown
Any day now, I'll be all aloneI know that
Hey, I know thatAny day now
When the clock strikes go, you'll call it off
And then my tears will flow
Then the blue shadows will fall all over town
Any day now, love will let me down
'Cause you won't be aroundNo baby now
Yeah yeahI know I shouldn't wanna keep you
If you don't wanna stay
Until you're gone forever
I'll be holding on for dear life
Holding you this way
And I'm begging you to stayAny day now
When your restless eyes meet someone new
And to my sad surprise
Then the blue shadows will fall all over town
Any day now, I won't last for long
'Cause any day, you'll be goneYeah, yeah any day, you'll be gone
I know, I know that
You'll be gone, you'll be gone, you'll be goneYeah, mercy, any day now
Any day, you'll be gone
Mercy, yeah
Any day, you'll be gone
