She Was Mine

The Golliwogs

See the girl just standin' there, was a time that she was mine.
Took my heart and left me there, to my mind it's a crime.
Shattered all the love we knew, had to ride the other side.
Now you see I'm standin' too. Hear me cry, hear me cry.
She was mine, all the time, all the time.
She was mine, all the time she was mine.
You can find me any day hangin' round feelin' down.
She will tell her friends and say, look at him, down again.
Nowhere left for me to turn now that she won't have me.
Standin' there to watch the (burn?), jealousy let me be.
She was mine, all the time, all the time.
She was mine, all the time she was mine.
She was mine, all the time, all the time.
She was mine, know you now, she was mine,
she was mine, she was mine.
