

# Rio (2016 Remastered)

## The Doobie Brothers

When things get stale  
You get on a boat and sail to Rio  
The beaches and the sea  
That's where I long to be  
In Rio  
But I'm workin' for the man every day up in the city  
Got to get away on a boat around the corner  
And it's waiting there for you and me  
In RioDark eyed lady  
Drive Mercedes everywhere  
In Rio  
She said, "Do you want to take a ride?"  
So I jumped right in beside her  
In RioBut I'm workin' for the man every day up in the city  
Got to get away on a boat around the corner  
And it's waiting there for you and me  
In RioWhen things get stale  
You get on a boat and sail to Rio  
The beaches and the sea  
That's where I long to be  
In Rio
