

# Apple of My Eye

Dolores O'Riordan

As the days go by  
The apple of my eye  
I'll always wait for you And as a new day dawns  
The darkness moves away  
And I will wait for you Remember, remember  
The face of you  
Surrender, surrender  
The touch of you Well, it's hard to hold  
The room is turning cold  
The candle flickers still And what I would not do  
For the love of you  
Would you hold on to me? Remember, remember  
The face of you  
Surrender, surrender  
The touch of you As the days the go by  
The apple of my eye  
I'll always wait for you And as a new day dawns  
The darkness moves away  
And I will wait for you Remember, remember  
The face of you  
Surrender, surrender  
The touch of you I will remember  
I will remember the face of you  
I will remember  
I will remember the touch of you I will remember  
I will remember the face of you  
I will remember  
I will remember the touch of you
