

Dead Alive

The Shins

[Intro]

(Figments of imagination)

[?]

[Verse 1]

On a walk in a fragile state
Weird angle coming over the wire
Back home we got girls in braids
And they're on roller skates
And they roll any way they like
From my town I can always look down
Down from my nose to the fish in the barrels
But in the wiles of human life
There are pity nights and ray gentle lights[Chorus]

So tonight

Dance and cry

The dead alive[Verse 2]

Monuments were awfully dense
I flew by in a daze on the freeway
You can whine of our different times
But me, I'm fine with [?] this far away
[?] our body to function
Rain gonna fall on the hills where we hide
Wash the blood and the guts to the ocean
Leave the pike making everything alright[Chorus]

So tonight

Dance and cry

The dead alive[Chorus]

So tonight

Dance and cry

The dead alive[Outro]
