

I Don't Know You Anymore

Aretha Franklin

I don't love you anymore
Not the way I did before
And since you've found someone new
I think it's best
I don't cry and walk the floor
I don't love you anymore
Trouble is I don't love you any less
I don't love you anymore
For I've got no more love to give
You drained my heart of all its love
With every sweet caress
I keep sayin' o'er and o'er
'I don't love you anymore'
Trouble is I don't love you any less
I held you close to me one time
Kissed your lips and called you mine
But another came and thrilled you more, I guess
I cried as you walked out the door
'I don't love you anymore'
Trouble is I don't love you any less
I don't love you anymore,
For I've got no more love to give
You drained my heart of all its love
With every sweet caress
I keep sayin' o'er and o'er
'I don't love you anymore'
Trouble is I don't love you any less
