Side By Side

Mitch Miller

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along, singing a song
Side by sideDon't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road, sharing our load
Side by sideThrough all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at allWhen they've all had their quarrels and parted
We'll be the same as we started
Just traveling along, singing a song
Side by sideBut we'll travel along, singing a song
Side by side
But we'll travel the road, sharing our load
Side by sideThrough all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at allWhen they've all had their quarrels and parted
We'll be the same as we started
Just traveling along, singing a song
Side by side
