

Honey or Fire

Andra Day

You drew this line
But can't pick a side
Is it on, is it over
Are you in, are you out?
Make up your mind
So I can keep mine
Is it on, is it over
Are you in, are you out? You're in the wind just like a palm tree in a storm
But I'll be the only one to break and fall
When you call, oh So give me honey
Give me fire
Give me honey
Or give me fire You love me, you say
And then run away
Are we coming or going
Is it on, is it off?
Or call everyday
Then say you need space
Are we coming or going
Is it on, is it off? You're in the wind just like a palm tree in a storm
But I'll be the only one to break and fall
When you call oh, oh Give me honey, give me fire
Love me wholly, or let me fly
Hot or cold, no just right
Give me honey or give me fire
'Cause you ain't no good when you're, you're just lukewarm And I'm closing this bar
So make your last call
We can have everything, or nothing at all Give me honey, give me fire
Give me honey, or give me fire Give me honey, give me fire
Love me wholly, or let me fly
Hot or cold, no just right
Love me wholly, or let me fly
'Cause you ain't no good, no you ain't no good oh no
So give me honey or give me fire
'Cause you ain't no good when you're, you're just lukewarm
