

# Playing for You

[Joe Hertz](#)

Emptiness weighing me down  
Let me take a break to figure me out  
No point finishing now  
Playing the wrong game I can't take word from no one  
I can't be who you want  
Is it, worth it?  
Having [?] with joy  
Is it, worth it?  
Being only what you want  
And if you wanna change me  
Watch me, cause I do what I do  
And if you tryna play  
Ain't nobody playing for you  
And if you wanna change me  
Ain't nobody changing for you  
Say no more, [?]  
You think it's all about you Whose world is it anyway  
[?] to the most, so we're all the same  
Smile on my face when dreams trump reality  
Fuck what they're telling me I can't take word from no one  
I can't be who you want  
And if you wanna change me  
Watch me, cause I do what I do  
And if you tryna play  
Ain't nobody playing for you  
And if you wanna change me  
Ain't nobody changing for you  
Say no more, [?]  
You think it's all about you And if you wanna change me  
Watch me, cause I do what I do  
And if you tryna play  
Ain't nobody playing for you  
And if you wanna change me  
Ain't nobody changing for you  
Say no more, [?]  
You think it's all about you
