

Love the Way You Love Me

Eddie Money

Girl, (incomprehensible)
The taste of honeysuckle on your lips
My dusty hands
On your driving hips
Oh, and I Love the way you love me
(Love the way you love me)
Love the way I love you, too
(Love the way I love you)
Now tell me what you wanna do
(Love the way you love me)
'Cause I love the way you love me
Yes I do You are fed up with loving
I have started seeing two
But, gee whiz, gee whiz, I just wanna tell you
Shhh - she don't kiss me the way you do
And I Love the way you love me
(Love the way you love me)
Love the way I love you too
(Love the way I love you)
So tell me what you wanna do 'Cause I love the way you love me
(Love the way you love me)
Love the way I love you
(Love the way I love you)
Love the way you love me
(Love the way you)
Love the way you love 1, 2, 3, hey Can you hear me?
Baby
Now listen, baby I am not really jealous
And I kinda understand
But, oh God, this is just likely to kill me
I mean, when I see you with another man
Oh, I still Love the way you love me, baby
(Love the way you love me)
Love the way I love you too
(Love the way I love you)
Now tell me what we're gonna do 'Cause I love the way you love me
(Love the way you love me)
Love the way I love you
(Love the way I love you)

And I love the way you love me
(Love the way you love me)
Love the way I love you
(Love the way I love you)
I love the way you love me, baby Can't you see that I love the way you love me?
Can't you see that I need you?
Can't you see that I want you?
Ooh, baby
I said, "Come on, come on, come on"
I said, "Come on, come on, come on, now"
I, I, I, I-I-I-I-I, now, I, I, I love you
