

# The Stomp

## Ten Years After

All right, ooh yeah  
Come on baby, yeahHey baby, sure love you fine  
You got a way of moving, mama  
Make me lose my mind  
You know, mama, what you got  
Something I need, sure need a lotI got the rhythm  
And you sure got the style  
So, shake it, mama  
Please stomp around a while, shake onHey baby, yes, you're doing fine  
You're stomping so good, mama  
You got the boys in the lineFoxy mama, you sure got what it takes  
And when you're stomping, darling  
Boy, it really shakesFoxy woman, you don't tell no lies  
What you got, darling  
Sure would like to advertise  
Hear the boys sayLook at that, mama, don't she look fine?  
Love that woman, make her mine  
And you know, baby, that's where it's at  
Just stomp around, mama, shake it, shake it all out  
Shake what you've got, oh, mamaOh yeah, darlin' what you got?  
Sure you're hot, shake it out  
Shake it out, yeah, yeah, yeah, yeah  
Shake it, shake it, shake it, shake it  
Shake it, shake it, shake it mama  
Oh, yeah, do the stomp, stomp around  
Stomp, stomp
