Everything (Pig Remix)

Pig

Everything you give, everything you bleed I need
Everything you hate, everything you hurt I love
Everything you cut, everything you kill I feel
Everything you burn, every little bribe I lose
Don't you wanna fill every little vein, I do
Don't you wanna suck every little hole, I do
Don't you wanna crave don't you want to crawl, I do
Don't you wanna break every little bone, I do
I fail
I fail
I fail
I fail
I fail
I fail
I fail
Everything you give, everything you bleed, I do
Everything you hate, everything you hurt, I do
Everything you cut, everything you kill, I do
Everything you burn, every little bribe, I do
Every little nail, every little slip, I fail
Every little nail, every little slip, I fail
With every little nail, every little slip, I fail
With every little nail, every little slip, I fail
I fail
I fail
Everything you saw, everything you say, I hear, I fail
Everything you make, everything that's mine, I break, I fail
I fail
