Adorn

The Karaoke Channel

Yeahh
These lips, can't wait to taste your skin....Baby
And These Eyes, can't wait to see your grin
Just let my love, Just let my love adorn you
(Please Baby)
And You gotta know, You gotta know
You know that I adore you....Yeah Baby
Baby these fist, uh, will always protect ya... Lady
And this mind ooh will never neglect you, yeah baby
Ooh baby
And if they try to break us down
Don't let that effect us, noo baby
You just gotta let my love
Let my love
Let my love adorn you
Ahh, le-le-le-let it just adorn you
You gotta know
You gotta know
Know that I adore you
Just that, baby

Let my love adorn you, baby
Don't you ever
Don't you let no one tell you different, baby
Always adore you!
You gotta know now
You gotta know na-nah-noooww, yeah

Ohhhhhh yea
The same way that the stars adorn the skies
(Now look up sugar!)
The same way that my whole worlds' in your eyes
(ooooo and it's time now)
Just let
Let my love (oooo Baby!)
Let, let, let it just adorn
You got to know baby
