We & Us

Moira dela Torre

Rainbow notes up on the wall
Dancing children under rainfalls
Perfect sunset set to ten
Then we begin again
There's a ribbon in the sky
Painting rivers on the moonlight
Moving pictures say the word
Of a story that beginsI'll hold your hand and wipe your tears
We'll laugh until we run out of years'Cause no matter if our blue skies turn to gray
There's a ray of sun that's bound to light our way
And although the roads are rough
I'll get through it just because
I have my You
You have your Me
No matter what may come
We'll have our We and UsThrough tired eyes see your soul
Promise you'll never be alone
When you need life I'll give you rest
When you ask for good I'll give you bestAnd once again I was caught off guard
The best surprise is when you gave your heartSo no matter if our blue skies turn to gray
There's a ray of sun that's bound to light our way
And although the roads are rough
I'll get through it just because
I have my You
You have your Me
No matter what may come
We'll have our We and Us
We and Us
We and Us
We and UsAnd as you gaze at the stars tonight
I will gaze at a star more beautiful and bright
And I, I can do this forever
And I don't mind if it gets a little cold
If forever and always
I'll have you to hold
I can do this foreverYou and Me
We and Us oohh
You and Me
We and Us oohh

You and Me
We and Us
Forever
You and Me
We and Us oohh
You and Me
We and Us oohh
You and Me
We and Us
ForeverSo no matter if our blue skies turn to gray
There's a ray of sun that's bound to light our way
And although the roads are rough
I'll get through it just becauseI have my You
You have your Me
No matter what may come
We'll have our We and Us
