Club Perfecto

Robert Vadney

Welcome to the club, welcome to Perfecto,
the beats have just begun, everybody let go,
This is the club, this is Perfecto,
this is my gun, let me see those hands show,
Welcome to the club, welcome to Perfecto,
this is my gun, let me see those hands show,
This is the club, this is Perfecto,
until you see the sun, ain't nobody can go..
