

# In Awe of You

Michael Turner

I live in awe of You my God  
In awe of You my king  
To be with You is all that I desire

I tasted You are good  
Tasted You are great

Your beauty is beyond the words i speak  
(chorusX2)

You have been good to me  
And I worship You

You have been good

Merciful and true

(Repeat verse)

Nothing can separate me from the love  
You have shown me Father  
Nothing can separate me from Your love  
(End)

I live to worship  
I love to worship  
I worship You forever  
I live to worship  
I love to worship  
I worship You  
Forever
