

# Wine

## Pierre de Gaillande

You  
Me  
Stars  
Asleep

Lone  
Roads  
Sprinkled  
With tears

Don't  
Self-destruct  
Kill time  
With a baseball bat

And it makes me cry  
Makes me cry  
Summer threw our love away  
Makes me cry  
Makes me cry  
Summer threw our love away  
Threw our love away

Noise  
Kiss  
Drunk  
On wine

Red  
Moon  
In love  
Forever

A bad wipe out  
You beat 'em every time  
A bad wipe out  
You beat 'em every time
