Intro (fÃ³rmula)

Romeo Santos

Padre
Hm,
He venido aquÃ- a confesarme
Soy un hombre de bueno sentimientos
And I do no harm to anyone
Y no se si es vanidad but I like to live a good life
And I admit I have a rare unique personality and at times

DÃ-game Mijo

I can be misunderstood
I mean this is the thing father
I work so hard at what I do yet I get so criticized
That I'm starting to feel it maybe my actions they're wrong

Whats in your heart?

Bueno Padre I mean
There are so many things that I'm not even sure si estoy bien o mal
Por ejemplo I can bye affordable clothes, y todavÃ-a lo sirve bien
But no I need expensive clothes you know top designers, the best of the best
I don't know I mean is this wrong, is this a sin

No hombre estÃ¡ loco, your talking to a guy who wears the same clothes everyday
Si padre pero hay mas, I can reach my destination flying commercial but I choose to fly private
I mean is that a sin

The sin would be to fly coach
What?
Va apretado ahÃ-, that is the sin
Hm,
Te gustan las muÃ±ecas?
I don't that way that I play with muÃ±ecas
You are, are you into the ladies?
Oh yeah claro me gustan todas, es pecado eso
No it's not bad, I actually want you to invite me
Que que?

What is it that you do that you have these extravagances in your life
Well I'm in the music business, so you got the altura

Wait a minute? are you Romeo?
Yes father

Romeo my son you got the formula and they can never have the formula
Because they don't live like you live and they don't know what you know
And they are not the king of bachata

So father what do I do to feel better about myself?
Here's what I been suggest
Yea
I want you to go out there
OK

And give me twenty fuck those putos
Father you use profanity?
I can curse my son because I am father George Lopez
Romeo no one can hate on you because your intent is pure
We will not give value to what other people think you got this
Romeo you have the formula, eres el mas chingon, eres el rey
Live your life and in the end, share!
