

Pulling Teeth

Green Day

I'm all busted up
Broken bones and nasty cuts
Accidents will happen
But this time I can't get up
She comes to check on me
Making sure I'm on my knees
After all she's the one
Who put me in this state
Is she ultra-violent?
Is she disturbed?
I better tell her that I love her
Before she does it all over again
Oh God! She's killing me
For now I'll lie around
Hell, that's all I can really do
She takes good care of me

Just keep saying my love is true
Is she ultra-violent?
Is she disturbed?
I better tell her that I love her
Before she does it all over again
Oh God! She's killing me
Looking out my window for
Someone that's passing by
No one knows I'm locked in here
All I do is cry
For now I'll lie around
Hell, that's all I can really do
She takes good care of me
Just keep saying my love is true
