

# Prayers for a King (Acoustic Version)

## Sorcerer

A desolate wind whispering his name  
I search the battlefield from the castle wall  
Broken arrows, swords and bloodstained shields  
Faces of soldiers distorted in pain  
Through the mist  
I see the black steed of the king  
If God exist  
Please, give me strength to honour the ring  
Open the gate  
The king is dying  
Now, before it is too late  
Oh, hear my prayers  
My father's dying  
My heart and soul are in despair  
Remember his name, now hail the new crowned king  
I claim my legacy as I take revenge  
Fear my vengeance, no pardon, no remorse  
Burning with fury, hell will rise again  
Through the mist  
I ride the black steed of the king  
If God exist  
Please, give me strength to honour the ring  
Open the gate  
Revenge is calling  
No salvation from my hate  
Oh, hear my prayers  
Angels are calling  
My burning heart is in despair
