Sunday Drive

Ladyhawke

I want to see
What you, what you can be
You, you make it easy
For me to want to know youI can't pretend to hate you
Cause I will always love you
And when you try to leave me
I'll run and sayPlease don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday Drive
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday DriveWait, to the end
Who will you be then?
See what I can do, with this life
That was made for twoI can't pretend to hate you
Cause I will always love you
And when you try to leave me
I'll run and sayPlease don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday Drive
Please don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday DriveI can't pretend to hate you
Cause I will always love you
And when you try to leave me
I'll run and sayPlease don't go
I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday Drive
Please don't go

I need your love
Waiting for the rain to behave
So you come around
Take me on a Sunday Drive
