Lord of the Rings

Blind Guardian

There are signs on the Ring
Which make me feel so down
There's one to enslave all Rings
To find them all in time
And drive them into darkness
Forever they'll be boundThree for the Kings
Of the Elves, high in light
Nine to the mortal which crySlow down and I sail on the river
Slow down and I walk to the hill
Slow down and I sail on the river
Slow down and I walk to the hill
And there's no way out, MordorDark Land under Sauron's spell
Threatened for a long time
Threatened for a long timeSeven Rings to the Gnomes
In their hearts made of stone
Into the valley, I feel downOne Ring for the Dark Lord's hand
Sitting on his throne
In the land so dark where I have to goSlow down and I sail on the river
Slow down and I walk to the hill
Slow down and I sail on the river
Slow down and I walk to the hill
