God of Thunder

Kiss

You've got something about you You've got something I need Daughter of Aphrodite Hear my words and take heed I was born on Olympus To my father a son I was raised by the demons Trained to reign as the one God of thunder and rock and roll The spell you're under Will slowly rob you of your virgin soul I'm the Lord of the wastelands A modern day man of steel I gather darkness to please me And I command you to kneel Before the God of thunder and rock and roll The spell you're under Will slowly rob you of your virgin soul I am the Lord of the wastelands A modern day man of steel I gather darkness to please me And I command thee to kneel Before the God of thunder and rock and roll The spell you're under Will slowly rob you of your virgin soul
