All The Pretty Faces

The Killers

Help me out, I need it
I don't feel like loving you no more
I don't feel like loving you no moreHelp me out, I need it
I don't feel like touching her no more
Help me out, I need it
I said I don't feel like touching her no more
Well how did it happen
I spent two long years in a strange strange land
Well how did it happen
I'd do anything just to be your manYou're not going anywhere without me
These trials don't prepare the air of love
You're not telling anyone about me
And you shake and you bleed while I sing my songI don't feel like, I don't feel like
I don't feel like loving you
I don't feel like, I don't feel like
I don't feel like loving youAll the different places
Ringing out like a shotgun in my head
All the pretty faces
Ringing out well I just can't go to bed
Well how did it happenI spent two long years in a strange strange land
Well how did it happen
I'd do anything just to be your man
I'd do anything just to be your manYou're not going anywhere without me
These trials don't prepare the air of love
You're not telling anyone about me
And you shake and you bleed while I sing my songI don't feel like touching you
I don't feel like touching you
I don't feel like touching you
I don't feel like touching you
You can't tell anyone about meYou're not going anywhere without me
Help me out I need it
You can't tell anyone about me
Help me out I need itI don't feel like, I don't feel like
I don't feel like loving you
I don't feel like, I don't feel like
I don't feel like loving you
