Master and Everyone

Bonnie 'Prince' Billy

Y' tell me you don't love me
Well, I don't love you
You say you don't want me
Well, I don't want youYou tell me there are other
Fish in the sea
And another gathers
Roses for me
On this we will agreeYou do what you want
And I will do what I want
I'm now free of master and everyone
Servant of all and servant to noneAnd constancy and love is a joke
I'm not afraid of meeting you
I'm fickle and I brag about itNeither will I cry for you
Like a bird freed from his cage
All night and all day I'll play and singAnd you do what you want
And I will do what I want
I'm now free of master and everyone
Servant of all and servant to none
