Just Because

Joe Jackson

Cant drink the water
Cant breathe the air
Cant hide down in the sewer
'Cause theres crocodiles down thereMy hovel needs a barricade
My pants need an alarm
Need some non-alcoholic whiskey
And some giuliani charmJust because youre paranoid
Dont mean theyre not out to get ya
Just because youre paranoid
Dont mean theyre not out to get yaDont look at me on the subway
And I wont look at you
Dont touch me with your greasy gloves
And syphilitic fluBrain cancer causes cell phones
Brain damage causes drugs
Im staying off the streets cause
Gang war causes thugsJust because youre paranoid
Dont mean theyre not out to get ya
Just because youre paranoid
Dont mean theyre not out to get yaJust because youre paranoid
Dont mean theyre not out to get ya
Just because youre paranoid
Dont mean theyre not out to get ya
