

A Long Time Ago

Dr. Dog

Such a long time ago, like a fallen angel
You dropped right out of the blueThe sun was shining bright
And everyone could see it
We came up walking it
And could hardly believe it
You wanna be my friend
And always were not love me
What about the things you do
Is always gonna haunt me
Why you comin up again
I want to knowSuch a long time ago, like a fallen angel
You dropped right out of the blue
You have got a long way to go
It's now all too late to mend
What was broken on the blueSuch a long time ago, like a fallen angel
You dropped right out of the blue
You have got a long way to go
