Arigato

Julie Bergan

I'm a big girl, baby
Now, why you acting so shady lately?
You don't need to babysit me,
Arigato, later dude, I gotta find another you, yeah someone new
I'm about to steal a car, on my way to a random bar
I'm a colombus 'cause he went too far
I'm a big girl, baby
Don't protect me from the big world, babyOh, watchu' trying to protect me from?
I'm just tryina have some fun
But when we wake in the morning, stuck in a corner
Oh, just tell me what I have to say
I don't really like to play it safe
Arigato motherf-cker
Arigato, laterI'm a big shot, baby
You can end my outburst, you see
Gotta let me go crazy, baby
Arigato, what's the use?
Everything you got to lose
It's me and you
All I wanna do is run, wanna see who I've become
I'm not a housewife, never will be one
I'm a big shot, baby
I'm the one who makes the big bucks babyOh, whatchu' trying to protect me from?
I'm just tryina have some fun
But when we wake in the morning, stuck in a corner
Oh, just tell me what I have to say
I don't really like to play it safe
Arigato motherf-cker
Arigato, later
