

Turning Inward

Boy Hits Car

Turning inwards as I lie
Fearing what else Im doing
Pondering a world of hope
Watching the flying dovesBut say farewell to faith
And tomorrows dream of life
'Cause merely today is
The day that I will dieSo dont forget me
If we dont make it
'Cause Im so scared
Standing nakedMaybe one day Ill figure out
What is going on inside, my kind grows so angry
Sometimes feels good to cry
And can you feel the void between usI guess Im the one to blame for this
Maybe one day well meet again
Losing ourself in the seas of bliss
The seas of blissDont forget me
If we dont make it
'Cause Im so scared
Standing nakedAnd I cant feel the pain
Of this world and want to
Become as wide as
The shy and forestJust one last caress
Of the Pacific
We can be one tonight
Through the pain and the fightJust one last caress
Of the Pacific
We can be one tonight
Through the pain and the fightTurning inward 'cause of you
Sometimes the ones we heal
An image of the rest
Two words unable to meshSo let your flesh devour our dead skin
Leaving us fresh and free from old sin
Maybe well have one last caress
Like it will be our last breath, soDont forget me
If we dont make it
'Cause Im so scared
Standing nakedDont forget me
If we dont make it
'Cause Im so scared

Standing naked And I can feel the pain
Of this world
And want to become as wide as
The sky and forest Just one last caress
Of the Pacific
We can be one tonight
Through the pain and the fight Just one last caress
Of the Pacific
We can be one tonight
Through the pain and the fight Just one last caress
Of the Pacific
We can be one tonight
Through the pain and this fright
