## **Turning Inward**

## **Boy Hits Car**

Turning inwards as I lie

Fearing what else Im doing

Pondering a world of hope

Watching the flying dovesBut say farewell to faith

And tomorrows dream of life

'Cause merely today is

The day that I will dieSo dont forget me

If we dont make it

'Cause Im so scared

Standing nakedMaybe one day Ill figure out

What is going on inside, my kind grows so angry

Sometimes feels good to cry

And can you feel the void between usI guess Im the one to blame for this

Maybe one day well meet again

Losing ourself in the seas of bliss

The seas of blissDont forget me

If we dont make it

'Cause Im so scared

Standing nakedAnd I cant feel the pain

Of this world and want to

Become as wide as

The shy and forestJust one last caress

Of the Pacific

We can be one tonight

Through the pain and the fightJust one last caress

Of the Pacific

We can be one tonight

Through the pain and the fightTurning inward 'cause of you

Sometimes the ones we heal

An image of the rest

Two words unable to meshSo let your flesh devour our dead skin

Leaving us fresh and free from old sin

Maybe well have one last caress

Like it will be our last breath, soDont forget me

If we dont make it

'Cause Im so scared

Standing nakedDont forget me

If we dont make it

'Cause Im so scared

Standing nakedAnd I can feel the pain
Of this world
And want to become as wide as
The sky and forestJust one last caress
Of the Pacific
We can be one tonight
Through the pain and the fightJust one last caress
Of the Pacific
We can be one tonight
Through the pain and the fightJust one last caress
Of the Pacific
We can be one tonight
We can be one tonight
