Morcheeba

All this fuss a lil' more
(More Morcheeba)
Props from here to Singapore
(Morcheeba)
All this fuss a lil' more
(Morcheeba)
Props from here to Singapore
(Morcheeba)
Yo', pull up in a all black 528
Fly new paint, drive through States
While you ain't
Can't get props 'cuz your style's too fake
Try new thing, rap like me, dance like D

One more chance like Biggy
Easy Coast Rock, beats don't stop
Niggaz fall off mad, teams go pop
Swing like spider man and wall creaper
Pace Won rocks them all the tall creature
You don't like me, I ain't feelin' ya'll neither
Ya'll need to roll your blunts with Morcheeba
This is how the east coast rocks
This is how Pace Won rocks
This is how the east coast rocks
This is how MJ rocks
This is how Pace Won rocks
