

Why Am I Treated So Bad

JazzXChange

Why, am I treated so bad?
Why, am I treated so bad?
You know I'm all alone as I sing this song,
Hear my call, I've done nobody wrong
But I'm treated so bad I'm gonna walk out in the master lane
Things I do, they seem to be in vain
You may be blind, you may be lame,
walk on out in the master lane
Though you treat me so bad Ooh ooh ooh ooooooh
Ooh ooh ooh ooooooh
ooh ooh ooh ooooooh ooh ooh oohhh
you made me blind, you may be lame
walk on out in the master lane
Though you treat me so bad
