Fake Friends

Sigrid

Just had a breakthrough
I'm used to being your number two
I play the sidekick
Let you decide, know we're the perfect fitLet the flame die out and rip the bandaid off
So slow that you can feel it
bu-u-urning, bu-u-rning
Don't want that sad goodbye, let's keep it low key
cause every love story's a
Ghost story, ghost story
It's better to walk away than to run with fake friends
No use for excuses so bad things come to an end
I'm not spurned and forgotten 'cause I only go for gold
Don't need no fake friends
Might as well shut down
Might as well shut down
Might as well shut downAsked for an update
We both know that it's a little too late
Don't wanna be a killijoy
But all your words are just like white noiseLet the flame die out and rip the bandaid off
So slow that you can feel it
Bu-u-urning, bu-u-urning
Don't want that sad goodbye, let's keep it low key
'Cause every love story's a
ghost story, ghost story
It's better to walk away than to run with fake friends
No use for excuses so bad things come to an end
I'm not spurned and forgotten 'cause I only go for gold
Don't need no fake friends
Might as well shut down
Might as well shut down
Might as well shut down
Might as well shut down
Might as well shut downDon't want that sad goodbye, let's keep it low key
'Cause every love story's a
ghost story, ghost storyIt's better to walk away than to run with fake friends
No use for excuses so bad thing's come to an end
I'm not spurned and forgotten 'cause I only go for gold
Don't need no fake friends
Might as well shut down

Might as well shut down
Might as well shut down
Might as well shut down
Might as well shut down
