

# She Brings the Lightning Down (Album Version)

**Shannon Brown**

One look and you know whats coming  
Storm cloud is moving in  
Aint no use in running  
Just take it like a man Oh, Lord, what have you started  
Cold front is settin in  
Shelter, no, you cant find it  
Judgment day is here again Oh, you better find some cover  
Ooh, when you hear that rumblin sound  
Mmm, 'cause there aint no warning  
Oh, when your woman comes unwound yeah  
She brings the thunder, she brings the lightning down The straight line that youve been walking  
Lately is wearing thin  
You cant help but cross it  
Every now and then Oh, you better find some cover  
Ooh, when you hear that rumblin sound  
Mmm, 'cause there aint no warning  
Oh, when your woman comes unwound yeah  
She brings the thunder, she brings the lightning down Oh, you better find some cover  
Ooh, when you hear that rumblin sound  
Mmm, 'cause there aint no warning  
Oh, when your woman comes unwound, yeah  
She brings the thunder, she brings the lightning down
