Harvest Moon

Bebel Gilberto

come a little bit closer
hear what i have to say
just like children sleepin'
we could dream this night awaybut there's a full moon risin'
let's go dancing in the light
we know where the music's playin'
let's go out and feel the nightbecause i'm still in love with you
i want to see you dance again
because i'm still in love with you
on this harvest moon
when we were strangers
i watched you from afar
when we were lovers
i loved you with all my heartbut now it's gettin' late
and the moon is climbin' high
i want to celebrate
see it shinin' in your eye
because i'm still in love with you
i want to see you dance again
because i'm stil in love with you
on this harvest moon
