

Fall Back

[Ollabelle](#)

Sun and rain, wind and snow
It feels the same as you go
See you drifting on your own
Lost and lonely so far from home
Want to hold you, make it right
See you through your dark of night
I will stand by your side
I can hold the rising time
Fall back to the one thing
One thing that remains
Fall back if broken
[Incomprehensible] down and find your way
Sun and rain, wind and snow
Feel the same as you go
See you drifting on your own
Lost and lonely so far from home
