

# Fare Thee Well

## Whitesnake

There's a cold wind blowing across my heart  
Feels like forever since we've been apart  
It's so hard, baby, I don't know where to begin I've been so lucky in this life of mine  
The best of both worlds most of the time  
But now I know it's time for me to go# Fare thee well, I'll soon be gone  
Fare thee well, back where I belong We had our moments, our days in the sun  
But now it's time I should be movin' on  
But you'll be in my heart, wherever I go# I'm on my way, I'm going home  
My bags are packed and I'm ready to roll  
I'm goin' home, don't you cry  
Let's have a drink before we say goodbye I'm goin' home  
Goin' home All the love we've shared for years  
Enough to make a heart break  
All the joy, all the tears  
Take me back where I belong# I'm going home  
Going home I'm on my way, I'm goin' home  
My bags are packed and I'm ready to roll  
I'm goin' home, don't you cry  
Let's have a drink before we say goodbye... I'm goin' home  
Goin' home
