

New Americana

Halsey

Advisory - the following lyrics contain explicit language:

Cigarettes and tiny liquor bottles
Just what you'd expect inside her new Balenciaga
Vile romance, turned dreams into an empire
Self-made success now she rolls with Rockefellers
Survival of the richest, the city's ours until the fall
They're Monaco and Hamptons-bound but we don't feel like outsiders at all
We are the new Americana
High on legal marijuana
Raised on Biggie and Nirvana
We are the new Americana
Young James Dean, some say he looks just like his father
But he could never love somebody's daughter
Football team, loved more than just the game
So he vowed to be his husband at the altar
Survival of the richest, the city's ours until the fall
They're Monaco and Hamptons-bound but we don't feel like outsiders at all
We are the new Americana
High on legal marijuana
Raised on Biggie and Nirvana
We are the new Americana
We know very well who we are, so we hold it down when summer starts
What kind of dough have you been spending?
What kind of bubblegum have you been blowing lately?
We are the new Americana
High on legal marijuana
Raised on Biggie and Nirvana
We are the new Americana
We are the new Americana
High on legal marijuana
Raised on Biggie and Nirvana
We are the new Americana
