Change The World

Eric Clapton

If I can reach the stars
Pull one down for you
Shine it on my heart
So you could see the truth
That this love I have inside
Is everything it seems
But for now I find
It's only in my dreamsAnd I can change the world
I will be the sunlight in your universe
You would think my love was really something good
Baby if I could change the worldAnd if I could be king
Even for a day
I'd take you as my queen
I'd have it no other way
And our love would rule
This kingdom we had made
Till then I'd be a fool
Wishing for the dayThat I can change the world
I would be the sunlight in your universe
You would think my love was really something good
Baby if I could change the world
Baby if I could change the worldI could change the world
I would be the sunlight in your universe
You would think my love was really something good
Baby if I could change the world
Baby if I could change the world
Baby if I could change the world
