

Dead Eyes (See No Future)

Arch Enemy

Giving our blood
to the Doomsday Machine
Fighting for ravaged land
A worthless gain
Marching on a dead end road
Lead - Christopher Amott
A violent new disorder
Feeding off mistrust
Forgot what we were fighting for
A worthless aim
A victory stinking of despair
Dead eyes
See no future
Falling from grace
We are coming home
Lead - Christopher Amott
Battalions of hate
Seeking shelter in Hell
Bloodstained memories
Will we ever be forgiven?
Our twisted fate
Time will tell
Dead Eyes
See No Future
Falling from grace
We are coming home
Lead melody - Michael Amott
Dead eyes
See no Future
Outro melody - Michael Amot
